4. Rights of data subjects

Affecting the processing of personal data, you, as the data subjects, are entitled to the rights listed below, which you can enforce at any time with the Company in the form of an application. In such a case, the company is obliged to provide the data subjects with information about the measures taken based on his request without undue delay, but within 1 month at the latest. The company may extend that period by a further 2 months, in which case it shall inform the data subjects of any such extension within 1 month of receipt of the request, together with the reasons for the delay.

- Right of access (Art. 15 GDPR)

The data subject has the right to obtain confirmation as to whether the Company processes his personal data, and if so, he has the right to obtain access to this personal data. At the same time, the data subject has the right to provide all information within this Notice, while the Company regularly updates this Notice.

- Right to rectification (Art. 16 GDPR)

The data subjects have the right to correct personal data that the Company processes about them without undue delay. At the same time, the data subject has the right to supplement incomplete personal data.

- Right to erasure / to be forgotten (Art. 17 GDPR)

The data subject has the right to delete personal data that the Company processes about him without undue delay. However, the right to erasure is not absolute and it is necessary that at least one of the reasons by Art. 17 paragraph 1 of the GDPR, respectively, the Company is not obliged to delete such personal data in the cases specified in Art. 17 paragraph 3 of the GDPR.

- Right to restriction of processing (Art. 18 GDPR)

The data subject has the right to have the Company limit the processing of his personal data under the conditions specified following Art. 18 GDPR.

- Right to data portability (Art. 20 GDPR)

The person concerned has the right to obtain the personal data that he has provided to the Company in a structured, commonly used and machine-readable format and has the right to transfer this personal data to another controller if he has provided his personal data based on consent and the Company processes this personal data by automated means.

- Right to object (Art. 21 GDPR)

The data subject has the right to object to the processing of personal data that the Company processes about him if such processing is carried out on the legal basis of fulfilling a task carried out in the public interest or for legitimate purposes of the Company or third parties, including objection to profiling based on these legal bases. The data subject also has the right to object to the processing of personal data that the Company processes about him for direct marketing, including profiling.

- The right in connection with automated individual decision-making, including profiling (Art. 22 GDPR)

The data subject has the right not to be subject to a decision that is based solely on automated processing, including profiling, and which has effects that concern him or similarly significantly affect him.

- Right to withdraw consent (Art. 7 GDPR)

If personal data is processed on the legal basis of the Data Subject's consent, the Data Subject has the right to withdraw his/her consent at any time without this affecting the legality of the processing based on the consent granted before its withdrawal.

You can revoke your consent at any time by sending an e-mail to: hey@wezeo.vc.

5. Sources of obtaining personal data

The Company primarily obtains personal data directly from the data subject. In some cases, however, the data subjects do not directly contact the Company, and in such cases, the Company obtains personal data from other sources, which are:

- publicly available resources which contain the personal data of the data subject;
- another person who provides the company with the personal data of the data subject– in such a case, the provided person is obliged to have the consent of the data subject in;

6. Recipients of personal data

The Company may also provide personal data of data subject to other natural or legal persons, public authorities or international organizations.

In the case of providing personal data of the data subject, the Company ensures the highest possible level of personal data protection, while in the case of providing personal data to its intermediaries or joint controller, it has concluded a contractual relationship following Art. 26 or Art. 28 GDPR.

The company provides the personal data of the persons concerned to the following categories of beneficiaries or public authorities:

- controlling or controlled entities and other entities in the horizontal or vertical hierarchy of the Company's organizational structure;
- business partners of the Company;
- legal, tax, accounting, IT and other advisers to the Company;
- public authorities;

7. Period for which the personal data will be stored

In addition to the established retention period for individual personal data in accordance with point 3 of this Notice, the Company may retain the Personal Data of the data subject for a longer period, in the event that it is necessary to retain the personal data for a longer period than the established period due to the legitimate interests of the Company or due to a change in its legal obligations.

8. Transfer of personal data to third countries or international organizations

The Company may transfer the personal data of the persons concerned to other third countries or international organisations. In case of a possible transfer of personal data to third countries or international organizations, the Company always undertakes to ensure a sufficient level of protection of the personal data of data subjects.

The Company does not transfer personal data to third countries or international organisations.

9. Automated individual decision-making, including profiling

The Company does not use automated individual decision-making, including profiling when processing the personal data of data subjects.
